Update

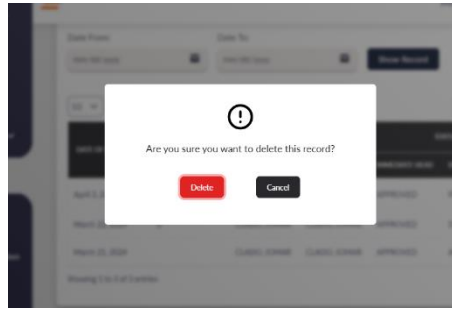

4. Edit your overtime details.
5. Click **Update** button.

DELETE OVERTIME

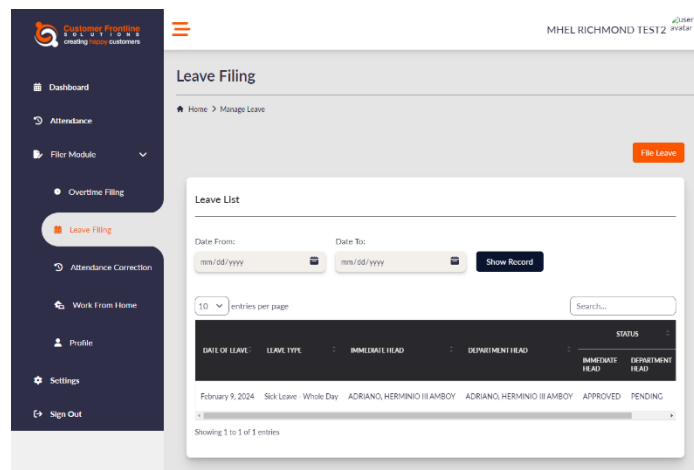

Steps:

1. Click **Overtime Filing** menu from sidebar.
2. Select specific record from overtime list.
3. Click **Trash icon** from the action column.

4. Confirm Deletion.

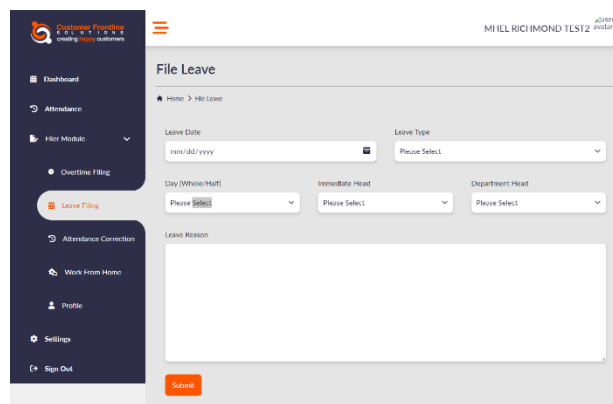

FILE LEAVE

Steps:

1. Click **Filer Module** dropdown.
2. Click **Leave Filing** menu.
3. Click **File Leave** button.

4. Choose Leave Date.
5. Select Leave Type.
6. Select Day (Whole/Half).
7. Select approver for Immediate Head.
8. Select approver for Department Head.
9. Enter your Leave Reason.
10. Click Submit button.

Edit Leave

The screenshot shows the 'Leave List' interface. On the left is a dark sidebar with navigation links: Dashboard, Attendance, Filer Module (expanded), Overtime Filing, Leave Filing (highlighted), Attendance Correction, and Work From Home. The main content area is titled 'Leave List' and includes filters for 'Date From' and 'Date To' (both with date pickers and a 'Show Record' button). Below the filters is a table with columns: LEAVE TYPE, IMMEDIATE HEAD, DEPARTMENT HEAD, STATUS, and ACTION. The table contains one entry: 'Sick Leave - Whole Day' for 'ADRIANO, HERMINIO III AMBOY', with status 'APPROVED' and 'PENDING'. The 'ACTION' column has a red trash icon. At the bottom, it says 'Showing 1 to 1 of 1 entries'.

Steps:

1. Click **Leave Filling** menu from sidebar.
2. Select specific record from leave list.
3. Click **Pen icon** from the action column.

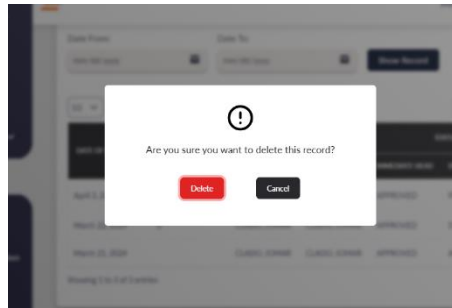

The screenshot shows the 'Edit Leave' form. The sidebar is identical to the previous screenshot. The main content area is titled 'Edit Leave' and includes a breadcrumb 'Home > File Leave'. The form fields are: 'Leave Date' (02/09/2024), 'Leave Type' (Sick Leave), 'Day (Whole/Half)' (Whole Day), 'Immediate Head' (ADRIANO, HERMINIO III AMBOY), 'Department Head' (ADRIANO, HERMINIO III AMBOY), and 'Leave Description' (test leave MRTest). An 'Update' button is at the bottom right. The top right corner shows the user 'MHIEL RICHMOND TEST2' with an avatar icon.

4. Edit your leave details.
5. Click **Update** button.

DELETE LEAVE

Steps:

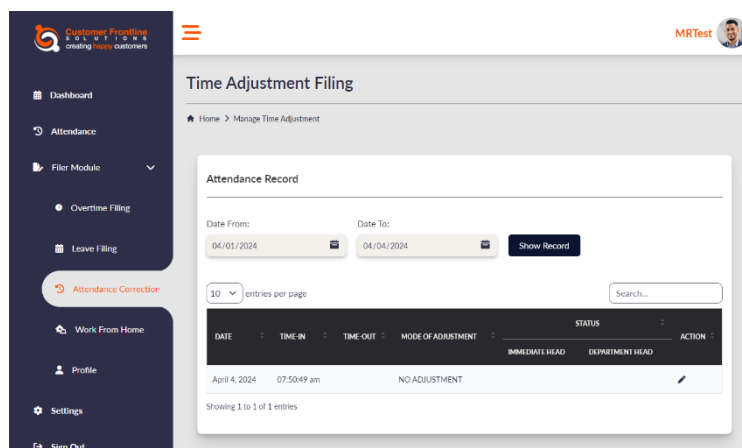

1. Click **Leave Filling** menu from sidebar.
2. Select specific record from leave list.
3. Click **Trash icon** from the action column.
4. Confirm Deletion.

Attendance Correction (CORE EMPLOYEE)

Note:

This function can only be use if employee has an attendance record from biometrics.

Steps:

1. Click **Attendance Correction** menu from sidebar under Filer Module.
2. Select specific record from the list.

3. Click **Pen icon** from the action column.

ACCOUNT BASED

ATTENDANCE GEOTAGGING

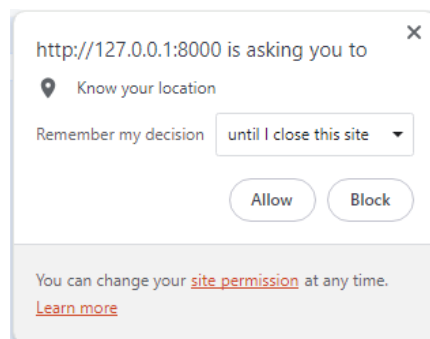

Attendance geotagging menu for Account-Based will display in mobile view. Account-Based can also file Overtime, Leave and Attendance Correction except for Work From Home as mentioned above.

Steps:

1. Go to <https://staging.chris.cfsph.com/> (VAPT Staging) and click Login button.
2. Enter your Username and Password of your Account-Based access.
3. Click **Attendance Time-In/Out** menu from sidebar.

4. Allow site to access your location.

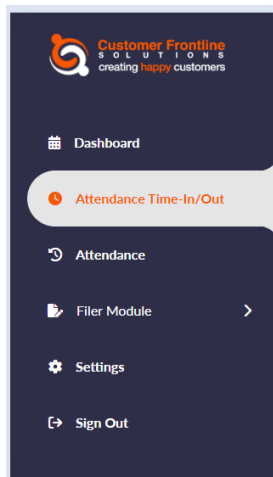

HOMEBASE BRANCH TIME-IN/OUT

Note:

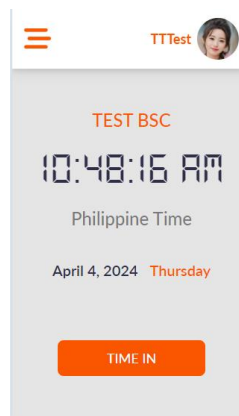

Employees/User location must near within 50 meters of their homebase branch.

Steps:

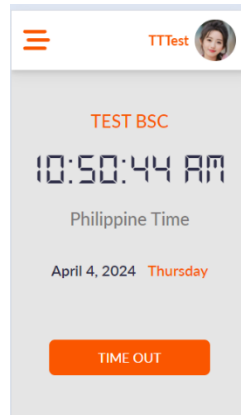

1. Click **Attendance Time-In/Out** menu from sidebar.

2. Click **TIME IN** button.

3. After your work hours from your homebase branch. Click **TIME OUT** button.

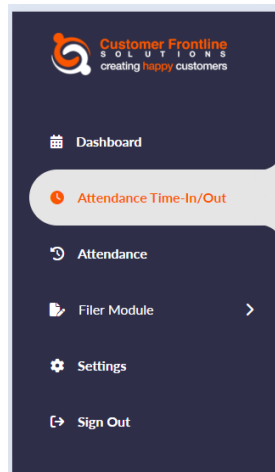

OUTSIDE HOMEBASE BRANCH TIME-IN/OUT

Note:

Employees/User location must be far within 50 meters outside of their homebase branch.

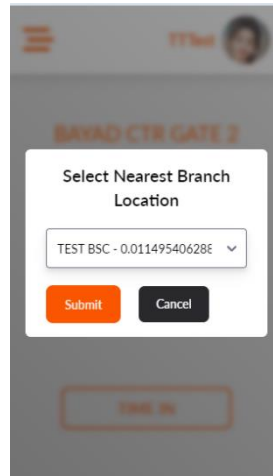

Steps:

1. Click **Attendance Time-In/Out** menu from sidebar.

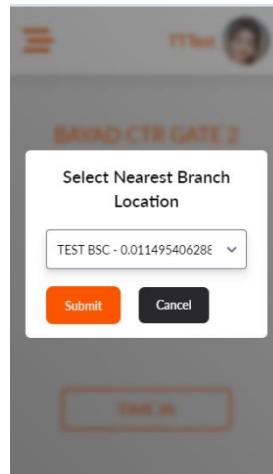

2. Click **TIME IN** button.

3. Select **Nearest Branch Location** from the dropdown list.

4. Click **Submit** button.
5. After your work hours outside your homebase branch. Click **TIME OUT** button.
6. Select **Nearest Branch Location** from the dropdown list.

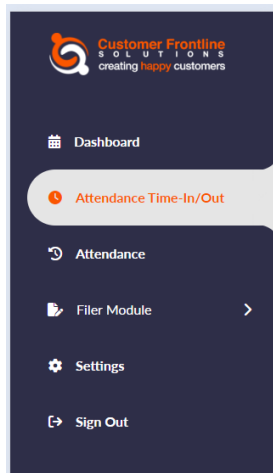

7. Now go to **Attendance Correction** menu from the sidebar.
8. Then file for attendance correction for Time-In/Out in different location as mention above.

Account-Based Single Device/Browser Feature.

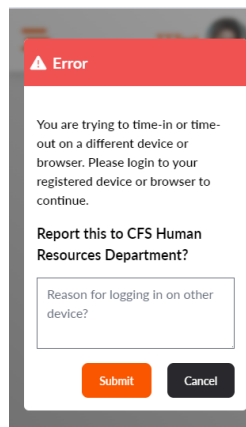

Account-based users can only Time-In/out using their registered device/browser from the first time they use the Time-In/Out module. Whenever the user login on another device/browser, the system will prompt an error to submit a report to HR on why they are trying to time-in/out using other device/browser.

Steps:

1. Go to <https://staging.chris.cfsph.com/> (VAPT Staging) and click Login button.
2. Enter your Username and Password of your Account-Based access on another device/browser.
3. Click **Attendance Time-In/Out** menu from sidebar.

4. An error prompt will appear.

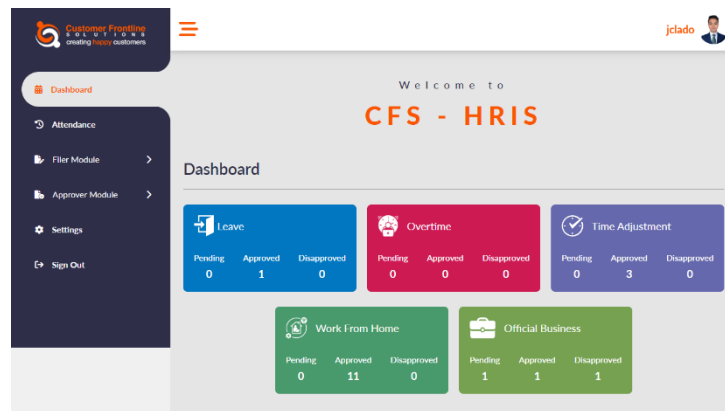

5. Input your reason for logging-in on another device/browser.
6. Click **Submit** button.
7. HR will now review your submitted report to reset your device/browser identification.

USER / APPROVER

As the system detected that user has approvers access, **Approver Module** will appear in the menu from the sidebar. Approver can also file OT, Leave, etc. and will have a Filer Module as included.

Below it, there is a link to 'Employee User Access List' and an 'Add Employee Access' button. The main content area is titled 'Employee Access List' and features a search bar and a table with 10 entries per page. The table columns are: EMPLOYEE NUMBER, FULL NAME, USERNAME, EMAIL, ACCESS LEVEL, and ACTION. The table lists several users with their respective details and access levels (Account Based or CORE). A pagination bar at the bottom shows 'Showing 1 to 10 of 28 entries' and page numbers 1, 2, 3.

EMPLOYEE NUMBER	FULL NAME	USERNAME	EMAIL	ACCESS LEVEL	ACTION
2211001	TERESITA TEST TEST	TTTest	jclado@cfs.com.ph	Account Based
